

For more than 170 years, demanding brewmasters all over the world have been brewing their beers with our plants and equipment. For this purpose, we design, manufacture and install all machines and systems for the brewing process – from the brewhouse to the bright beer tank cellar. Our goal always remains the same: to supply the most advanced brewing technology – tailor-made for each customer. Our recipe for success are employees, who share our philosophy: to act competently and in a spirit of partnership by providing convincing performance.

For our location in Ludwigsburg (Germany) we are looking for an

Internal Auditor (m/f/d)

Your Tasks

- You are responsible for internal auditing throughout planning, executing, reporting and follow-up: you will prepare the annual internal audit plan based on the requirements of the Board, ensure the timely execution of risk-based internal audits in accordance with the annual audit plan, report deficiencies as well as assist with other audit matters and projects
- Perform risk assessments of assigned companies, departments or functional areas within the specified/required deadlines
- Create risk-based audit programs, determine the scope of the audit and review the adequacy of the internal control design
- Perform audit testing in specified areas and identify reportable issues, risk dimensions and determine compliance with policies and procedures
- Develop procedures for compliance of the administrative organisation and internal control and review compliance
- Ensuring compliance with internal control, including the completeness and accuracy of information

Your Profile

- You have successfully completed a degree in business administration with a focus on accounting or finance, or equivalent professional experience in accounting
- Comprehensive knowledge of local GAAP and IFRS
- 4 years+ of financial experience in auditing/accounting (Big 4 preferred) and/or industry experience in the manufacturing industry
- Extensive experience in reporting techniques, including analyses and consulting
- Proficiency in Microsoft Excel and Word
- Willingness to travel worldwide, approximately 20%

Our Offer

- **Benefits** In addition to an attractive remuneration package in accordance with the collective agreement, you will benefit from flexible working hours and mobile working. You will also receive a company pension scheme and a travel allowance.
- **Atmosphere** With us, you can expect a secure workplace in a dynamic and international environment with lean structures, short decision-making processes and attractive offices.
- **Prospects** We ensure your professional and career development through targeted measures within the framework of our holistic employee support and promotion.
